PAUSE!
 If you have already increased fees by more than 4.4% since 8 August 2024, you must apply and be approved for the Alternative Fee Growth Percentage Cap before applying for the WRP grant.
 SNAICC can help if you need support with this application. Contact your EYS Advisor or workforce@snaicc.org.au for support.

Your service can still apply for the WRP grant now, but you will need to apply for the Alternative Fee Growth Percentage Cap before increasing your fees by >4.4% before 8 Aug 2025 or by >4.2% the following year.

Have you engaged >95% of your staff through an eligible workplace instrument? (This includes signing your service up for the union-based MEA OR having each staff member sign the IFA template provided by SNAICC.)

 You must implement a compliant workplace instrument before applying for the WRP grant.
 SNAICC can help with this. Contact your EYS Advisor or workforce@snaicc.org.au for support.
 If you used a different IFA than the one provided by SNAICC and would like us to check it is compliant, please contact us.

Your service can still apply for the WRP grant, but you will need to provide evidence in your application that you've taken all reasonable steps to have all staff sign the IFA.

 Take some time to gather this information. We recommend involving your payroll/finance officer in this process.
 SNAICC can support you to understand what information you need to provide. Contact your EYS Advisor or workforce@snaicc.org.au for support.

You should now be ready to apply for the WRP grant!
 Please contact your EYS Advisor or workforce@snaicc.org.au if you require support during the application process.

After your application is approved, there is an opt-in Funding Review process. The Funding Review process will ensure you receive sufficient funds under the grant, especially for services who operate over ratio or have low/variable attendance. SNAICC encourages all ACCOs to opt in to the Funding Review.

SNAICC can help with this. Contact your EYS Advisor or workforce@snaicc.org.au for support.
